

Joint 25th Anniversary Meeting SGV – 3R Research Foundation- Swisstox- ecopa
November 19th & 20th, 2012, Technopark, Zürich

Monday morning, November 19th, 2012		
		Auditorium
09:00	Welcome	Ch. Egerszegi + M. Gyger SGV and 3R Research Foundation
09:10	Plenary Lecture	S.D. Preston
10:10	“Empathy in the animal kingdom”	University of Michigan, USA
The 3Rs in Research and Development		Conference Room Basic (2nd floor)
10:15	Refinement goes together with Replacement	P. Maier
10:25		3R Research Foundation Switzerland, University of Zürich
10:25	MRI its impact on Refinement and Reduction	N. Beckmann
10:50		Novartis Inst. for BioMedical Research, Basle
COFFEE BREAK - INDUSTRIAL EXHIBITION - POSTER VIEWING		
11:10	Bacterial Meningitis: Brain Injury and Regenerative Therapy in vitro	S. Leib
11:40		Federal Office for Civil Protection & Inst. for Infectious Diseases, Univ. of Berne
11:40	From pigs to cells: Prediction of virulence of classical swine fever virus in vitro	N. Ruggli
12:10		Inst. of Virology and Immunoprophylaxis, Mittelhäusern
LUNCH - INDUSTRIAL EXHIBITION - POSTER VIEWING		
Monday afternoon, November 19th, 2012		Conference Room Basic (2nd floor)
13:40	In vitro induction of stage conversion in the parasite <i>Neospora caninum</i>	A. Hemphill
14:05		Inst. for Parasitology, University Bern
14:05	25 years 3R-project funding, effects on the 3Rs	S. Schindler
14:30		Animalfree Research, Zürich
The 3R's in Toxicity and Safety Testing		Conference Room Basic (2nd floor)
14:30	Swiss Tox and the 3Rs	F. Pfannkuch
14:35		Swiss Society of Toxicology
14:35	New 3R relevant methods in drug development	F. Boess
15:00		F. Hoffmann-La Roche, Basel
15:00	New tests for (nano)particles - In vitro evolution	M. Geiser
15:25		Inst. of Anatomy, University of Bern
COFFEE BREAK - INDUSTRIAL EXHIBITION - POSTER VIEWING		
16:00	Impact of the International Conference on Harmonization (ICH) on the use of animals in Regulatory Toxicology	F. Pfannkuch
16:30		Swiss Society of Toxicology
16:30	Proofing the relevance of the Ex Vivo Eye Irritation Test (EVEIT)	F. Spöler
17:00		Rheinisch-Westfaelische Technische Hochschule, Germany
17:00	Criteria for acceptance of alternative methods in the approval process of chemicals	D. Oggier
17:30		Bundesamt für Gesundheit, Bern
18:30	Aperitif Hotel St. Gotthard	18:30
19:00-	25 Years Anniversary Dinner (with tickets only)	19:00-

This course will be accredited as continuing education in Switzerland for experimenters and directors of the experiments in animal experimentation.

Joint 25th Anniversary Meeting SGV – 3R Research Foundation- SwisStox- ecopa
November 19th & 20th, 2012, Technopark, Zürich

Tuesday morning, November 20th, 2012		
Reduce-Refine-Replace Lecture		Auditorium
09:00	The Virtual Liver	J. Hengstler
09:30		Tech. University of Dortmund, Germany
Ongoing Progress of the 3Rs in Europe		Conference Room Basic (2nd floor)
09:35	Human neurons as alternatives to transgenic mice in neurobiology	M. Leist
10:10		University of Konstanz Germany
10:10	Do we still need teratomas? Alternatives to the pluripotency assay	G. Weitzer
10:40		Medical University Vienna, Austria
COFFEE BREAK - INDUSTRIAL EXHIBITION - POSTER VIEWING		
11:00	Novel in vitro human cell model to detect kidney carcinogens using transcriptomics and systems biology	M. Ryan
11:30		University College Dublin, Ireland
11:30	Directive 2010/63/EU on the protection of animals used for scientific purposes	S. Louhimies
11:55		EU Commision, Brussels
11:55	Implementation of the directive in Finland - how does the animal researchers react	T. Heinonen
12:20		FICAM, Finland
LUNCH - INDUSTRIAL EXHIBITION - POSTER VIEWING		
Tuesday afternoon, November 20th, 2012		Conference Room Basic (2nd floor)
13:50	Horizon 2020: Advancing Safety Science and Health Research With Modern, Non-Animal Tools	T. Seidle
14:20		Humane Society International London, U.K.
14:20	EPAA and Academic Research	K. D. Bremm
14:45		EPAA Co-Chair Platform of Science, Bayer Pharma, Germany
14:45	Assuring Safety Without Animal Testing	R. Stierum
15:10		The Netherlands Organization for Applied Scientific Research, Zeist, Netherlands
COFFEE BREAK - INDUSTRIAL EXHIBITION - POSTER VIEWING		
The 3Rs as a European consensus		Conference Room Basic (2nd floor)
15:40	ecopa: Who, What, Where? Challenges. Opening of the 13th Annual Meeting	L. E. Knudsen, University of Copenhagen, Denmark
16:00		
16:00	<i>Denmark, Finland, Norway, Sweden</i>	Responsible delegates
16:30		
16:30	<i>Austria, Czech Republic, Germany, Netherlands</i>	Responsible delegates
17:00		
17:00	<i>France, Italy, Spain, Switzerland</i>	Responsible delegates
17:30		
17:30	ecopa, General Assembly 2012	
19:00		

This course will be accredited as continuing education in Switzerland for experimenters and directors of the experiments in animal experimentation.
